Sub: Official Recognition and Affiliation as a Special Academic Center under United Nations Academic Impact (UNAI)

We are delighted to announce a momentous achievement for the Centre for Academic Research and Excellence (CARE). We have been officially recognised and affiliated as a Special Academic Centre under the prestigious United Nations Academic Impact (UNAI).

This recognition reflects CARE's commitment to fostering academic excellence, research, and community engagement in alignment with the principles set forth by the United Nations. It marks a significant milestone in our journey, highlighting the dedication and hard work of our entire community.

We extend our sincere gratitude to all members, researchers, students and stakeholders who have contributed to CARE's growth and success. Your passion for knowledge and commitment to making a positive impact on society have played a crucial role in earning this esteemed affiliation.

As a Special Academic Centre under UNAI, CARE is poised to play a pivotal role in shaping the future of education and research. This affiliation opens up new avenues for collaboration, knowledge exchange, and global impact.

We look forward to leveraging this recognition to further elevate the standards of academic research and excellence at CARE. Once again, congratulations to each and every one of you on this momentous occasion!
