**Sub:** Launch of the CARE Global School Connect Program

We are delighted to announce the launch of the Global School Connect Program, an initiative aimed at fostering international collaboration in academic research, promoting practical learning and facilitating competitive events for school students worldwide. This program aligns seamlessly with CARE's mission of promoting academic excellence, quality education and advocacy.

The CARE Global School Connect Program is designed to bridge the gap between students worldwide, offering a platform for cross-cultural learning, collaborative research, and practical experiences beyond traditional classrooms.

The key components of the program include:

1. Facilitate International School Collaborations:
  - Connect schools globally to enable cross-cultural interactions and experiences.
  - Provide a unique platform for students to engage, collaborate, and share insights.
2. Enhance Academic Research and Learning:
  - Encourage collaborative research projects among students from different regions.
  - Foster a global perspective on academic research and exploration.
3. Practical Learning Opportunities:
  - Offer internships, virtual workshops, and hands-on projects to enrich students' skills.
  - Provide knowledge beyond conventional classroom settings.
4. Competitions and Events:

- Participate in a variety of competitions, including debates, Model United Nations, creative writing, and more.
- Showcase talents and compete at both national and international levels.

How the Program Works:

1. *School Partnerships*: Establish partnerships with schools worldwide for cross-cultural exchanges and collaborative projects.
2. *Online Learning Platform*: Utilise a dedicated online platform for virtual collaboration, communication, and resource sharing.
3. *Mentorship*: Pair students with mentors for guidance in research projects, academic support and career advice.
4. *Competitive Events*: Organise a series of competitive national and international events throughout the academic year.
5. *Workshops and Webinars*: Host online sessions led by experts covering various academic and legal topics.
6. *International Exchange Program*: Facilitate virtual international student exchanges for an immersive educational experience.

The Global School Connect Program aims to empower the next generation by providing opportunities for global engagement, expanding horizons and building a foundation for academic and professional success. By fostering a global community, CARE aspires to make a lasting impact on the academic and research landscape while nurturing the leaders of tomorrow.
