Centre for Academic Research and Excellence (CARE)

About CARE

The *Centre for Academic Research and Excellence (CARE)* is a pioneering institution dedicated to the advancement of academic research and quality legal education. CARE is driven by a clear and resolute mission to promote academic research and education. Its motto, “*Promoting Academic Research and Education*” encapsulates its unwavering commitment to empower scholars, researchers, students and legal professionals in their pursuit of knowledge and excellence.

CARE’s mission is to facilitate and nurture a culture of rigorous academic research, legal scholarship and promote educational excellence. Its vision is to become a global hub for legal academia, recognised for its contributions to evolving jurisprudence and fostering a community of scholars committed to academic research and legal education.

About the Internship

CARE Legal Research Internship Program is a dynamic opportunity designed to provide law students with hands-on experience in the field of legal research, analysis and writing. This internship offers a valuable platform for students to engage with seasoned legal professionals and immerse themselves in the intricacies of legal research methodologies and techniques.

During this internship, Interns will engage in comprehensive research projects that span a diverse range of legal topics, allowing them to delve into complex legal issues, analyse pertinent case law and extract crucial insights.

By the end of the internship, Interns will emerge with:

- A heightened proficiency in legal research techniques and writings;
- A deepened understanding of legal principles;
- Refined analytical skills that will serve as a strong foundation for their future pursuits in the legal field.

Duration of Internship

The duration of the Internship Program is flexible and depends on the student’s availability and choice. Interns can opt for a one month or a two month Internship Program, allowing them to tailor their learning experience to their needs.

Roles and Responsibilities

Interns are an integral part of our research initiatives. They are engaged in various research tasks allocated by the CARE administration, providing valuable contributions to ongoing projects. Meeting deadlines and delivering high quality work are essential aspects of the role.

Perks & Benefits
